

WINNARD

PRODUCT AWARENESS

SUSPECTED CRACKED BRAKE DISCS ?

Care should be taken when opening Brake Disc boxes and consideration made if the braking surface is marked by a sharp blade.

Any scoring caused by a blade is not detrimental to the discs operation and will be worn away during normal use.

NEW WARNING LABEL >>>

CAUTION-PLEASE TAKE CARE WHEN OPENING

Cutting the packaging with a sharp blade could score the brake disc.

However, cutting the disc with a blade will **NOT** affect the braking performance.

EXAMPLE OF SCORE LINE CAUSED BY OPENING THE BOX WITH A SHARP BLADE
