

WINNARD

Company Announcement 14th April 2025

Dear Customer

For various operational reasons, we have decided to integrate Thos Winnard & Sons Ltd and 3G Truck and Trailer Parts and have therefore formed a new holding company – 3G Winnard Ltd

For the foreseeable future both businesses will operate independently, and customers will continue to order in the usual manner. There will be no change to how Winnards and 3G distribute their products. You will continue to receive invoices from each individual company and payment methods will not change.

We will of course keep you all informed if anything changes on the above.

These are exciting times for both companies and will give us an opportunity to build on the success and excellent progress we have all made so far.

We are fortunate to have dedicated and experienced teams on both sides of the business and with the continued support of our loyal customer base, we are confident that we will continue to grow and improve our service to you.

Thank you for your cooperation. If you have any questions, please feel free to ask.

Yours Sincerely

The Directors – 3G Winnard
