EXHIBITION NEWS

Come see us at

X ROAD TRANSPORT EXPO 2025

24 - 26 June 2025
NAEC Stoneleigh,
Warwickshire

Hall 3-Stand N36

roadtransportexpo.co.uk

We'll be showcasing our full range of ECE R90 approved Brake Discs and Brake Pads, built for reliable performance and safety. We'll also present our Hubkits—a complete wheel-end repair solution that makes installation easier and more efficient.

We will also highlight the importance of good product design and ongoing quality control, which are key to delivering parts you can trust.

We're looking forward to meeting.
