## BRAKE DISC QUALITY AWARENESS

### NOT ALL BRAKE DISCS ARE THE SAME

#### WINNARD BO1002 vs EUROPEAN AFTER-MARKET DESIGN

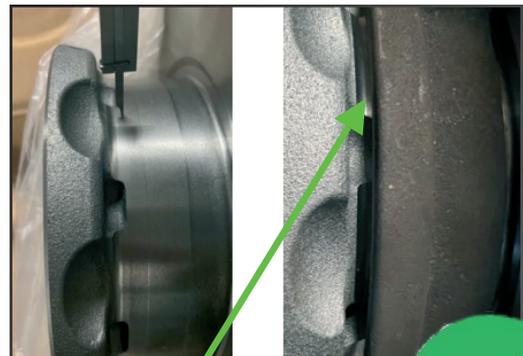

##### COMPETITORS VERSION

Brake Disc is in **contact** with carrier, creating noise, heat and wear issues.

##### WINNARD DESIGN

WINNARD Brake Disc does **NOT** contact the brake carrier.

Attention to design and machining detail are vital to ensure the correct fit and operation.

*WINNARD Brake Discs are manufactured to our engineering specifications and quality controlled to ensure consistent product conformity.*

**(E11) ECE R90 Approved - Tested in the UK**
