

WINNARD

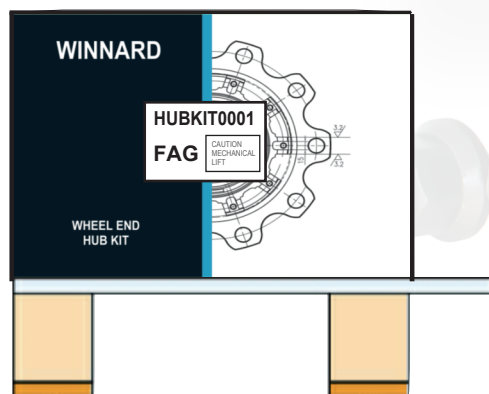

NEW HUB & HUBKIT PACKAGING

In response to customer demand, we have developed new packaging for the range of Winnard HUBS and HUBKITS.

From early November 2025, HUBS will be supplied in branded boxes*.

Starting in Q1 2026, we're launching upgraded pallet and packaging solutions for HUBKITS, designed to improve the ease and safety of mechanical handling significantly.

New pallet suitable for all mechanical lifting equipment**

*Boxes will be strapped for security

**Some fork adjustment may be required to enable use on some equipment.
